#BlackLivesMatter

Our desire is not that others might be relieved while you are hard pressed, but that there might be equality. At the present time your plenty will supply what they need, so that in turn their plenty will supply what you need. The goal is equality.

~ 2 Corinthians 8 vs. 13-14 ~

**Read...** Paul tells the Galatians that all are equal, [Galatians 3:26-29](#)

**Talk...** Why are some people treated differently? How does that affect them?

**Listen...** [God of Justice](#), by Tim Hughes

**Do...** Play [Privilege Monopoly](#)

Start a game of Monopoly, but you don't all start in the same place. Some players will have things that help them, and other with have things that make it harder to play.

**Make...** Paper chains

Make a paper chain out of lots of equally sized strips of paper or card, attaching them in loops like a chain.

**Try...** Look up different cultural [images of Jesus](#) from around the world. How are they different? Does it matter?

**Pray...**

God of Justice,  
I confess out of my own privilege  
that I have facilitated in the discrimination of others.  
Help me Lord to purge the bias from my heart  
so that I may see my brothers and sisters of colour,  
as equally made in your image;  
through Jesus Christ our Lord.  
Amen.
