

CUMBERWORTH FIRST SCHOOL

Newsletter 2nd December 2022

Christmas Fayre Friday 2nd December 3.35pm – 5.15pm.

Don't forget we are holding our Christmas Fayre today - admission to the fayre is £1.00 per adult and 50p per child on the day which will include refreshments from the café.

We look forward to seeing you there.

THE ROYAL BRITISH
LEGION

A huge thank you for everyone who supported this year's Poppy Appeal. Your support makes a real difference to those in the Armed Forces community. This year Cumberworth First School raised an amazing £247.44 for the Royal British Legion Poppy Appeal.

Theatre Visit – Monday 12th December

We are very much looking forward to seeing Dick Whittington at the Theatre on 12th December. Please remember we are not expected back at school until around 4:45 – subject to traffic. The children do NOT need any snacks for the afternoon as we will provide these. They can come in non-uniform / Christmas jumpers if they wish.

Snacks

Just a reminder that snacks for break should be healthy and must not contain nuts as we are a 'Nut Free School'. Please don't send too much as there is limited time to eat it particularly in the afternoon.

Thank you.

School Christmas Dinner

Don't forget that our Christmas Dinner this year will be on Wednesday 14th December.

Children are welcome to wear their Christmas jumpers or come in non-uniform that day.

Thank you.

Operation Encompass.

We are an Operation Encompass School, supporting child victims of domestic abuse. Please visit operationencompass.org for more information.

If you think a child or young person in Kirklees is experiencing abuse or neglect please contact:
Children's Social Care – Duty and Advice Team: 01484 456848

Energy Heroes

Welcome to our **FREE** innovative teaching and learning resource for primary schools, designed to improve Numeracy and Science skills through exploration of local data associated with energy and climate change.

The structure: Our expert team will deliver teacher training to staff. Next we will visit the school to lead a whole school or key stage assembly. Then we teach the first of a series of Maths Lessons for the year 5 class and take a group around the school to conduct an energy audit.

Focuses on engaging families and the wider school community, empowering your school to become a leader in energy management, create less pollution, save money and preserve the world's precious resources.

Truly heroic activities!

The tools: Resources include energy quiz, letter home, stickers, pencils, t-shirts, teacher booklet, resources for each lesson and an energy log book, games, press release and letter to local businesses, audit report and evaluation and an optional 3 extra support lessons!

For more information or to book, contact us:
