A MESSAGE FROM THE HEADTEACHER

We have finally had some warmer, brighter weather which has meant we have made full use of our back pitch at breaktimes, PE lessons and after school clubs. Thank you to everyone who has supported the Book Fair we have had in this week, we hope you enjoy your new reads!

Next week, we are looking forward to a permanent, cross curricular orienteering package being installed in our school grounds. All our staff will also receive training from the company so we can start to use it straight away. Miss Houghland and I are looking forward to visiting all our new September starters, KS2 will be taking part in some pedestrian training and we have the cycling event at Scissett Middle, after school on Tuesday for Y2-5.

Enjoy the sunshine this weekend!

Robinwood Adventures

In our latest chat, adventurous students William and Spencer, from Class China, shared their thrilling Robinwood experience! William soared on the Giant Swing, loving the mix of height and swing. Spencer zoomed on the Zipwire, relishing the heights and self-stopping challenge. Both found Raft Building tricky, using fish knots and creativity to craft sturdy vessels. The boys enjoyed all of the activities even the ones that they were at first sceptical of. Thinking it would be dull at first, canoeing surprised William with its excitement, while Spencer conquered his nerves in the caves with supportive friends. What brave explorers we have! Keep sharing your adventures, everyone! – Miss Auckland

KS2 Tag Rugby

A huge well done to our KS2 Tag Rugby team who played against 7 other teams at Scissett Middle School after school on Tuesday. They won all their games along with another team and came second after scoring 12 tries to their 14.

School PE Kit

A reminder that our school PE kit is plain black/navy shorts/leggings/joggers with a plain white t-shirt or the available branded PE top and plain black/navy hoodie/fleece and no jewellery.

Reminders

- **Acceptable Use Policy** – If you have not returned these already, please sign and return as soon as possible.
- As the weather is getting sunnier and warmer, please send children to school with a hat, filled water bottle and apply once a day sun cream before they arrive.

Jo Cox Great Get Together

Parents are invited to join us at school (weather permitting!) for The Great Get Together (21-23 June 2024) which is the UK's annual celebration of everything that unites our communities, inspired by Jo Cox's belief that we have more in common than that which divides us.

The need to celebrate unity and reject division is as relevant now as it was when the first Great Get Together took place in 2017. This June, on what would have been Jo's 50th birthday, we hope her message will continue to inspire our communities to bring people together.

Parents/family members can bring in their own food/rugs/chairs and join their children (who will have a school picnic lunch if they usually have a school dinner) for lunch on the pitch at the back of school.

If you are in year 4,5,6, or 7 and want to join us for an amazing summer of games, sports, new friends, climbing, dancing, camp fire chanting, and SO MUCH MORE, book now to avoid disappointment! 🎉👤

Avoidant Restrictive Food Intake Disorder (ARFID) Parent, Carer, and Family Free Online Q&A Session

North East and Yorkshire Regional Mental Health Team are hosting two free public Q&A sessions on Microsoft Teams. These will give parents, carers, and families the opportunity to ask our expert panel questions about ARFID. The panel includes an Advanced Practice Dietitian, Psychologist, and Occupational Therapist.

To help us answer as many questions as possible, or if you'd like to ask anonymously, please submit your questions in advance online [here](#). Following feedback received, there will be dedicated time for questions received within the chat to be answered.
