### One Way System

Please continue to observe the one way system on the playground at drop off and pick up times. Please also note that there is no access to the rear of school or the Early Years area from the drive - this gate is for exit purposes only.

Thank you.

### Face Coverings

Unless exempt we respectfully request that visitors coming in to school continue to wear a face covering. We thank you for your support with this.

### Medical Needs

We all have a duty to keep our children safe in respect of their medical needs and medicines in school. Please make sure you keep us informed of any changes to your child's medical needs. Copies of updated Care Plans should be sent in to school as soon as possible please.

Also don't forget, we are a 'nut free' school!

Kindly keep this in mind if you send any food in to school whether it be a packed lunch, a snack or a class treat.

Thank you.

### Water Bottles

Please help your child to remember their water bottle every day - it is really important for the children to keep hydrated throughout the day.
