A MESSAGE FROM THE HEADTEACHER

It has been lovely to see everyone back in school this week after the Easter break and to welcome you, as parents, to our Parents Evenings to update you on your child's progress. We hope you found the meetings informative.

Today we have been visited by Rob Bradley from the Rap School who has created raps with each class. He also did a whole school assembly and parent's showcase at the end of the day.

Good luck to Heath who has been selected to play U10s rugby for HRUFC on an international tour this weekend.

Enjoy the weekend!

Pupil View

Back from the Easter holidays the children are already delving into new term activities. In Year 2 Olivia and Jacob have been enjoying this week's Maths lessons. Olivia and Jacob tell me that they have been folding shapes, focusing on fractions such as halves and quarters. They describe how although challenging, the lessons have given them a new way to look at Maths thanks to Mrs Eason making this topic very enjoyable.

Down the corridor, Year 5 have had a very exciting start to the term with a video call with author Rhian Tracy. I spoke to Emma and Rosetta who loved the experience and the chance to pose journalistic style questions to the writer. They informed me about Tracy's books *I spy* and *Hide and Seek* providing me with a short summary of the texts and informing me of the World War II context and background for the novellas. Emma and Rosetta were particularly fascinated about the messenger pigeons present in the books which made for very interesting characters!
