Please think before you park

Please be mindful when parking for school drop off and pick up. It is illegal to park on the zig-zags between 8:00 - 9:30 and from 2:30 - 4:00. Please also ensure you are not blocking neighbours' exits or drives. Additionally kindly do not leave your engine running once you have parked to avoid people passing by inhaling the fumes. The Police and Kirklees Council constantly monitor the situation. Please share this with friends, family and carers who may drive to school.

Thank you.

We've been working hard!

One Way System

Please continue to observe the one way system on the playground at drop off and pick up times.

Please also note that there is no access to the rear of school or the Early Years area from the drive - this gate is for exit purposes only.

Thank you.

Water Bottles

We still have some children coming to school without water bottles. Please help your child to remember their water bottle every day. It is really important for the children to keep hydrated throughout the day.

Face Coverings

Unless exempt we respectfully request that visitors coming in to school continue to wear a face covering. We thank you for your support with this.
