A MESSAGE FROM THE HEADTEACHER

Welcome to all our new Reception parents 2024, we are delighted you will be joining our school community from September and are looking forward to getting to know you in the coming weeks. To our Year 5's, we hope you were all allocated the places you wanted!

We have had a great week in school with lots of learning taking place across all classes, our school photographer was in yesterday capturing another year of the children's Cumberworth journey and we took part in the KS2 Hi-5 netball tournament at Shelley College.

Next week we are looking forward to celebrating World Earth Day on Monday with workshops run by Kirklees in saving rubbish, litter picking, wonderful worms and a craft session.

I hope you have a fabulous weekend,

Huddersfield Town Poetry Competition

Yesterday Lee Nicholls, Michael Helik, Sorba Thomas & our captain Jonathan Hogg judged all the poems they had received and picked 4 runners-up and one winner and I have the great pleasure to announce that the players picked Oliver's poem as their favourite!

Oliver has won – an Invite to the Birmingham City game 27th April, he can read the poem out at half-time, the poem will be printed in the match day programme, Oliver will be presented with the poem at half-time in a nice frame & he has also won a Huddersfield Town signed ball.

My Favourite Shirt – by Oliver

There it is, clean and smart, waiting in my drawer
My favourite shirt is blue and white, I couldn't ask for more
Feeling excited on the drive, I'm on my way, can't wait
Down Stadium Way, across the bridge, I hope I'm not too late
Players there to meet the fans, gonna get their autograph
Terry the Terrier posing for pictures always makes me laugh
We climb the stairs, and then we see the green and grassy pitch
One of these seats is mine today, it must be here but which?

H T A F C ...

Nowhere else I'd rather be!
Players on the pitch warming up together
Running back and forth despite the awful weather
Just found my seat, ready to sit down

About to cheer on the mighty Town
Thomas sprints fast, Helik tackles hard
Rudoni has clever feet, Hogg gets a yellow card
The Terriers are 2-0 up, a winning final score
"Ooh to be a Terrier!" The crowd begins to roar

H T A F C ...

Nowhere else I'd rather be!
The teams shake hands and clap the fans, what a brilliant day
We give three cheers for the team... Hip, Hip Hooray
The crowd is busy as we leave; women, children, men
They're smiling because we've won today, let's hope we win again
When I'm home, I grab my ball and kick it up and down
Pretending to be my favourite players from the mighty town
In the wash, clean again, neatly put away
Ready for my next big match, can't wait for Saturday!

Pupil View

This week, I caught up with two enthusiastic students, Adelyn from Year 4 and Penelope from Year 3, to hear all about their amazing experience with 'The Rap School!'

Rob Bradley, the mastermind behind The Rap School, paid us a visit, and got the entire school got in on the action.

Adelyn and Penelope told me how at first, they had no idea what to expect and that they were slightly sceptical as they didn't know much about rapping. However, this changed very quickly after Mr Bradley's assembly where he showed off his skills by creating a rap on the spot, using random words like "mud," "rain," "pineapple," and even "SpongeBob"! The children tell me it was pure genius!

Then each class got to take part in a workshop where Mr Bradley taught them the ins and outs of crafting their very own rap songs. Adelyn and Penelope discuss with me how they improved their teamwork skills, joining forces with their classmates to create some seriously awesome rhymes.

Adelyn and Penelope couldn't stop smiling as they told me how much joy the Rap School brought them and how much they loved performing their rap masterpieces in front of their parents and the whole school. They never imagined they could rap before, but now? They're practically pros! – Miss Auckland
