Cumberworth First School

27th April 2020

Welcome to the start of the Summer Term - but what a strange start it is!

Hopefully you all managed to enjoy the Easter holidays in some way. At least the weather has been kind to us in recent weeks so we have been able to spend some time outdoors.

Remember to stay home and stay safe wherever possible and hopefully it won't be too long before we all see each other again.

We are all missing you and can't wait until we can all be back in school again. We are enjoying hearing from you and hope you and all your families are staying safe.

Here's a message from Kirsti (our dance teacher) for the dance club members:

Hi all you wonderful people - I miss you all so much. I wanted to send a little message to let you know I'm thinking of you all. I hope you are keeping safe, managing to do some schoolwork and having fun creating new activities during this time.

I've been busy working from home and trying to be a teacher for Freya and Mya....sometimes I do this well and sometimes I don't know the answers! I really have a new found admiration for all your teachers. I've also been gardening while enjoying the sunshine and we all go on a walk or run every day. As a family, we've never spent so much time together, which has been lovely and we've laughed, cried, been silly, got frustrated and supported each other which I know you all will have too.

Please keep practising the dances so when we are able to meet again we can have a boogie together.

Keep safe and I will hopefully see you soon

Kirsti

The teachers are enjoying receiving your emails and photos.

Keep them coming!

If you aren't sure about your child's school email address have a look on our website: Newsletter / Children's **Emails**

Thank you to those of you

who have sent photos of your creative

activities for our website - we are enjoying

seeing what you have been up to. Please

continue to send them to:
