

CUMBERWORTH FIRST SCHOOL

Newsletter 31st March 2023

Our Christian values: Friendship, Love, Kindness, Self-Control, Forgiveness and Respect.

Dear Lord

We Pray that you will give us this knowledge and wisdom to not only accept the fact that you died on the cross to save our sins, but the fact that we should rejoice our saviours death, for he has given us all salvation, your son Jesus. We give an everlasting prayer that you will let us understand the true meaning of Good Friday, Easter Sunday and Easter Monday and we will be reunited with the gates of heaven and The Father, The Son and the Holy Spirit and for us to dwell in the house of the lord, Our Father, and how you will help us throughout this time of trouble and we shall praise your name on Easter.

In Jesus's name we pray Amen.

Easter Services

Thank you to all who was able to attend our Easter Services this week. We thought all the children were fantastic!

Class Photos

Purple Cow will be in school on Thursday 20th April to take class photos. Please make sure the children come into school wearing school uniform on that day and have a school jumper or cardigan with them.

Thank you

We have had a fantastic term here at Cumberworth. The school continues to thrive. We hope you all have a lovely Easter break and we will see you on Monday 17th April.

Helping Hands

On Thursday afternoon the children had a brilliant time taking part in an Easter Egg Hunt run by members of Helping Hands. We also had a guest appearance from the Easter Bunny and we hope you enjoyed your eggs!

Collective Worship

Mr Phillip Kaye lead our Collective worship on Monday. We all loved his assembly on the parable of the vineyard. The engagement was outstanding.

Coronation of King Charles III

To mark the coronation of King Charles III there will be an additional bank holiday this year on Monday 8th May 2023. School will be closed on this on day. Thanks

We currently have vacancies on our Governing Body for Foundation Governors.

Our governing board is made up of people from the school and wider community.

Foundation governors are appointed to the governing boards of voluntary controlled and voluntary aided schools to preserve the religious character of the school.

What do governors do?

Governors offer strategic guidance, rather than getting involved in the operational aspects of a school. This involves:

- Working with other board members to plan the school's strategic direction.
- Overseeing the school's financial performance, ensuring money is well-spent.
- Holding the headteacher or school leadership to account.

A governor's relationship with the school's leadership team involves challenging existing processes to drive school improvement. Governors usually attend around six meetings per year. Although becoming a governor requires drive and commitment, you'll enjoy many professional and personal rewards, including career development opportunities and the chance to support young people's futures.

If you have any questions or would like to find out how to apply please contact our Chair of Governors -
