

Our ICT Charter EYFS/KS1

- I will look after all the school's IT equipment and use it properly
- I will only share my username or password with trusted adults except for those for IXL and MY Maths which are displayed in the classroom
- I will tell an adult straightaway if I see anything which upsets me
- I will only take a photograph or video of someone if they say it is alright and I have permission from an adult
- I understand that the school may check my use of IT and talk to my parent or carer if they are worried about my online safety

In addition if using IT outside of school:

- All of the messages I send will be polite
- I will not post anything online which upsets other people
- I will use a safe online name and not give away my personal information or talk to people I do not know using the internet
