COVID-19 (Coronavirus)

We continue to receive daily updates from the Department for Education in respect of Coronavirus.

The advice for schools currently remains unchanged and stresses the importance of personal hygiene:

Personal hygiene is the most important way we can tackle COVID-19, especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes.

Wash your hands more often for 20 seconds with soap and hot water.

In addition to handwashing before eating, and after coughing and sneezing, both children and staff should also wash hands after using toilets and travelling on public transport.

Families and friends of Reception children are welcome to join them in class for a Stay & Play session from 14:30 on Friday 13th March.

We hope you can make it!
