

CUMBERWORTH FIRST SCHOOL Newsletter 9th July 2021

School Dinners

The cost of dinners will increase to £2.35 per day in September for children in Yr 3 and above. Early Years and KS1 children continue to get Universal Infant Free School Meals provided. If your child wishes to swap to or from school dinners next term please let us know before the end of term. Thank you. The new menu was sent home this week but I'm afraid the link to the Kirklees school meal site is not working so we haven't been able to change our website yet.

One Way System

Please continue to observe the one way system on the playground at drop off and pick up times. We will let Class Panda parents know when they can use the back entrance again. Please also note that there is no access to the rear of school or the Early Years area from the drive – this gate is for exit purposes only.

Thank you
