

# CUMBERWORTH FIRST SCHOOL

## Newsletter 13<sup>th</sup> November 2020

### Covid-19

**Important please read:** We hope everyone is keeping safe and well and would like to thank you all again for your continued support in respect of the restrictions and advice regarding Covid-19 relating to school children and our site. Please continue to advise us as soon as possible of any Covid-19 related incidents by phone or emailing [office@cumberworthfirstschool.co.uk](mailto:office@cumberworthfirstschool.co.uk). It is essential that if a member of your household has symptoms, no matter how mild, and needs a test the entire household isolate until the results are received. If one of our pupils develops symptoms it is really important that you let school know straight away - even at the weekend or during the holidays. We also need to know the test result as soon as you get it please whether or not it is positive. We are permanently on alert in case there are children or staff who need to be in isolation due to contact with someone who has tested positive.

If a child is isolating due to a family member being infected and they subsequently contract the virus again it is important that we are informed as we have to supply accurate data to the Local Authority and DfE. Thank you for helping us with this.
