## Parking

Please remember that between the hours of 8:00am-9:30am and 2:30pm-4:00pm it is illegal to park, even to drop-off, on the zig-zag lines on either side of the road outside of school.

We must also avoid parking at the bus stops and across neighbouring driveways. Please share this with friends, family and carers who may drive to school. Thank you.

## Roots and Branches Forest School

Obie Butcher the leader of Roots and Branches Forest School came to visit us this week.

Obie spent the morning with Class Australia and the afternoon with Class China. In the sessions the children learnt how to build a nomadic micro-shelter, they were taught about fire safety, shown how to make a fire and also helped to make bread. The children really enjoyed their sessions and had a fantastic time despite the change in weather, just in time for Class China's session.
