A MESSAGE FROM THE HEADTEACHER

This week the children have really enjoyed taking part in all the science week activities including Sublime Science, Engineering Workshops and Wonderdome.

On Monday our KS2 children had a brilliant morning visiting Saville Road Hall, Skelmanthorpe for the B-I-B-L-E Exhibition.

It's been great to see everyone 'dress funny for money' today in aid of Red Nose Day. We have raised an amazing £113 so far. If you would still like to donate, please use the link below.

Usborne's Sponsored Reading Challenge

A reminder that all sponsorship money should be sent through ParentPay by **Wednesday 20th March**.

The money raised will be used to purchase Usborne books for our school. On top of this, we will earn up to 60% in extra free books.

Sporting News

On Tuesday our Year 5 football team played against other schools in our pyramid at 5core, Waterloo. We won 3 out of the 4 games we played earning us 4th place overall out of 14 teams!

A big happy birthday to Silver and Jacob who have celebrated their birthday this week. We hope you've enjoyed your special day!

Bella we hope you enjoy your birthday this weekend. We can't wait to hear all about it on Monday!

Pupil View

This week has been jam-packed with fun activities aimed at enriching the Children's' learning. From Science week to the beginning of Easter festivities, the school has been buzzing with excitement.

I spoke to class Panda who have been lucky enough to have been gifted some live chicken eggs. Cassidy and Peggy talked me through the lifecycle of the chicks; explaining what they would look like as they matured and went through the different stages of their life. The children have clearly gained an impressive bank of knowledge with regard to these little chicks, and each seemed to know an original fun fact. For example, Jacob and Dylan were telling me how they knew that the yellow chicks were male, and the brown were female and, while watching one of the chicks hatch, Elspeth told me about how each chick has an "egg tooth" that they use in order to crack their eggs open from the inside. It has been a delight to witness the chicks' development alongside the Children's' growing curiosity and attentiveness towards them.
