## A MESSAGE FROM THE HEADTEACHER

This week we have welcomed Northorpe Hall into school to train staff in Children's Mental Health and Wellbeing. They will also be coming in next week to do a session on Managing Anxiety in Young Children. Ms Robinson has begun her journey in becoming a Senior Mental Health Lead and we are looking forward to putting a long term plan in place for all stakeholders in school.

Next week we are looking forward to Hand to Mouth coming into school to deliver workshops across school, KS2 will be visiting Ledston Estate to take part in an outdoor learning day and the whole school will be making a Christmas bauble for their class Christmas trees next week.

I hope you have a lovely weekend!

Mrs Claxton

### Sporting Triumphs and Artistic Feats at School!

In this week's sports spotlight, Rosie and Archie from Class Panda discovered the joy of tag rugby. Rosie, though exhausted, persevered in the game, and secured victory for her team by capturing the last flag. Archie, on the opposing side, embraced the game's fun and speed, learning the value of good sportsmanship. Both children described their experience as "lots of fun!"

In Art Club, Angus tackled his first Miro sculpture, overcoming initial challenges to create an amazing alien creature for his coffee table.

Eve shone at Sunshine Club when she assisted younger children and organized entertaining games for them. Her kindness left her feeling fulfilled, making her time in the club truly worthwhile.

### New Helping Hands Logo

This is the new Helping Hands logo. A representative from Helping Hands came into our Celebration Assembly to award the prize.

A big happy birthday to Adelyn, Nell and Peggy who have all celebrated their birthdays this week. We hope you enjoyed your special day!

### Whole School Attendance Figures

Our target is 97% attendance.

Last week	97.61 %
This week	93.22 %

### Congratulations to this week's Stars of the Week!

Panda – Jack

Koala- Jacob G

Australia – Clara

China – Laura
