

CUMBERWORTH FIRST SCHOOL

Newsletter 25th September 2020

Curriculum Information

Unfortunately we were unable to hold our KS1 & KS2 Meet the Teacher meetings and our Reception Phonics workshop this year. Our teachers have put together the information that would have been shared with you, which is now on the website: [Parents / Curriculum Information](#)

If you need any further information then please do not hesitate to contact us.

School Library

We are hoping to get the school library up and running as soon as possible. In the meantime you can access online books from Kirklees E-library:

<https://www.kirklees.gov.uk/beta/libraries/e-library.aspx>

Please don't forget the one-way system on and off the playground. Also it's important to continue to remain socially distant on the playground and for one adult only from each household to drop off / pick up from the school grounds.

If you need to enter the building please ensure you are wearing a face covering. Thank you.

Please think before you park

We regularly get complaints raised with regards to unsafe parking outside of the school.

Please be mindful when parking for school drop off and pick up. **You should not stop on the zig-zags to drop off - even if it's only for a minute.** You are risking the lives of our children and families by doing so. The Police and Kirklees Council constantly monitor the situation. Please share this with friends, family and carers who may drive to school.

Covid-19 School Child Isolation Guide

We know how difficult it is to keep up with all the advice we are being given in respect of Covid-19. Please have a look at the guide on our website if you are unsure of the correct procedure should your child or another family member become unwell or has contact with someone displaying symptoms.

St Nicholas' Churchyard help required please:

The churchyard has become overgrown as the Payback Team who usually assist with this have been unable to visit this year.

Members of the church would like to get a working party together to tackle the problem on 1st November. The time will be decided nearer the date.

If you can spare some time – even an hour will help - please come along. Tools will be provided although feel free to bring your own if you wish.

For further information or to offer your help please contact Rev Joyce Jones:
