Hello also to the **new children** who are joining us in Apple, Sycamore and Elder Class. We are looking forward to you and your parents becoming part of our family.

**NEW PARENT'S WORKSHOPS**

We will be running workshops for new parents (plus any others who would be interested) to enable you to support your children develop their phonics and mathematics skills.

The workshops will give you the opportunity to find out about how we teach phonics and maths in school; the resources we use and hints and tips on how you can help at home.

The workshops will run on a Friday afternoon before Celebration Assembly. Please see the diary box for dates.

**HOUSEKEEPING****School Dinners**

Due to problems outside our control, we are currently without our main oven in the school kitchen. Julie has a new oven on order, which we are hoping will be installed before the end of the month. Until then, she has had to alter the menu slightly. Please be assured that around 80% of the menu is still available.

We will keep you posted but in the meantime thank you for your help in this matter.

**School Milk**

Please ensure that this term's payments for milk have been made via ParentPay.

**School Snacks**

Just a reminder that children in Apple and Sycamore Class are provided with a piece of fruit or vegetables in the morning and all children are able to have milk (see above). If you feel your child needs an additional snack for morning break, please consider a healthy option (no sweets, crisps or chocolate please).

**After School Clubs**

Please note that all club registers are now closed for this half term. We will inform you before half term of any clubs that will be running in Autumn 2.

Breakfast Club is now almost to capacity but we still have some places available at our After School Club (3:30 - 6:00).
