Visitor/Parent/Carer Code of Conduct

Rooted in the community. Branching into the future.

We believe that children's full potential is best achieved when we all work
together.

Flockton CE (C) First School

Visitor/Parent/Carer Code of Conduct

We encourage partnerships with our parents, and work hard to maintain mutual respect and recognition of shared responsibility for the children.

The code of conduct for visitors to school is that of mutual respect for school staff and children to all visitors. Included in this is respect for school property, other visitors and children.

NB Visitors refers to parents, carers and/or visitors throughout this document.

The school expects visitors to:

- **Respect the caring ethos of the school**
- **Understand that parents and teachers need to work together for the benefit of children**
- **Demonstrate in their own behaviour that all members of the school community should be treated with respect**
- **Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue**
- **Correct their own child's behaviour, especially where it could lead to conflict**
- **Approach school staff to help resolve issues**
- **Avoid using staff as threats to admonish children**

In order to support a peaceful and safe school environment the school does not tolerate:

- **Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, office or other area of school grounds**
- **Loud or offensive language, swearing, cursing or displaying temper**
- **Threatening to do actual bodily harm to a member of school staff, governor, visitor, parent/carers or pupil**
- **Damaging or destroying school property**
- **Sending abusive or threatening emails, text/voicemail/phone messages or other written communication**
- **Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff at the school on Facebook or other social media sites**
- **The use of physical aggression towards another adult or child. This includes physically punishing your own child on school premises**
- **The use of physical aggression towards another adult or child**
- **Chastising someone else's child**
- **Smoking, or consuming alcohol or drugs whilst on school property**

We thank our visitors for observing this.

In a very small minority of cases, the behaviour of a few visitors can cause disruption, resulting in abusive or aggressive behaviour towards staff, other parents or visitors.

This will not be tolerated. All members of the school community have a right to expect that their school is a safe place.

If the visitor's behaviour is unreasonable, permission for them to be on the school premises may be withdrawn. Entry onto school premises while banned would be trespassing.

Risk Assessment

A risk assessment has been prepared to protect staff by ensuring:

- That individual consultations will take place in an area where staff may summon help if necessary.
- That two members of staff will see a parent together when it is thought that the consultation could be difficult.

Procedures

If an incident arises, the member of staff should follow these procedures:

- Ask the person to leave or invite them to a room away from a crowded area or classroom.
- Ask the Head (or Assistant Head) for support.
- In the event of violence or aggression, dial 999 to contact the police.

After the Incident

The Head Teacher will:

- Ask the people who witnessed the incident to make witness reports in writing as soon as possible after the incident. Reports must be signed and dated.
- Make it clear that the reports may be disclosed to the perpetrator and the witness should say whether or not they are prepared for this to happen.
- Consider whether the person should be banned from school premises or given a warning letter.
- The Head will discuss this with the Chair of Governors and keep him/her informed.
- If a letter is thought appropriate, a letter will be sent to him or her.
- If a ban is appropriate, the Head Teacher will give the parent an opportunity to make representations about this before finalising the ban. If the Head Teacher considers it unwise to allow the parent back on the premises at this time, s/he will impose a temporary ban for a week, to give the parent an opportunity to make representations in writing. As soon as this happens, the Head will write to the parent informing him/her of the decision to extend the ban or not to renew it after the initial week has elapsed.
- If a ban is renewed after the initial week, the Head will impose any further ban for a fixed period of time and explain that she will review the ban at the end of that period.

Additional Guidance

Staff have been made aware of additional guidance/support in this matter through the Corporate Guidance note 38: Work Related Violence; which should be read alongside this document,

LA Role

If the incident is of a serious and/or violent nature, the Head and Local Authority may agree that correspondence should be sent directly from the LA. In such circumstances the Head will contact Kirklees Legal Department.

Police Assistance

In the event of a visitor (or other person) becoming aggressive or violent, schools should not hesitate to contact the police using 999. When the situation does not require immediate Police response, but there is prior knowledge of likely trouble, the Head Teacher may contact the local Police Station or the school's Police Liaison Officer for advice.

INCIDENT REPORT FORM

This includes trespass, nuisance or disturbance on school premises, verbal abuse, sexual or racial abuse, threats, aggression, physical violence and intentional damage to personal property.

This form should be completed as fully as possible (please use a continuation sheet if necessary). For an incident involving or witnessed by a child, a member of staff should complete the form on their behalf. However, any discussion between one witness and another should not precede completion of the form, as this might lead to allegations of collusion.

Re: Your conduct on school premises on (insert date)

I refer to the incident that took place on school premises today (or insert relevant day) when you (insert details of the incident).

If the Head Teacher did not witness the incident they may wish to use the following text: I have considered the witness accounts of the incident, (if relevant: including your own), and it would appear (insert details of incident).

Your behaviour falls short of the standard of conduct expected of those visiting the school. I must therefore warn you that if you are involved in a similar incident again, you will leave me with no alternative other than to ban you from coming onto the school site without my written permission.

I do hope that this will not be necessary and that I can rely on your cooperation in this matter.

Yours sincerely

If the Head Teacher did not witness the incident, the following text may be used: I have considered the witness accounts of the incident, (if relevant: including your own), and it would appear (insert details of incident).

Your behaviour falls short of the standard of conduct expected of those visiting the school. (Omit if this is a first incident – As you will remember, I have previously warned you about your behaviour when I wrote to you on (date)). I have considered the matter very carefully and have decided that you should not be allowed on to the school premises from now until (insert date). During that time I will review the situation. Before I make a final decision you may, if you wish, write to me to give me any further information you want me to take into consideration. You have until (insert date) to write to me.

If you need to speak to me or a member of staff about any matter, please telephone and I will make the necessary arrangements and confirm them to you in writing. You will not be allowed to come onto the school site unless you have a letter from me giving you authorisation.

If you do not comply with this ban, you will be guilty of causing a nuisance or disturbance on educational premises. This is a criminal offence under section 547 of the Education Act 1996. If you were to commit this offence, you would be liable to prosecution in the magistrates’ court. If you were to be convicted, you would be liable to a fine and a criminal conviction.

I regret that I have had to take this action and hope that I can rely on your cooperation.

Yours sincerely

On (insert date) I wrote to you informing you that I had temporarily withdrawn permission for you to come onto the school premises.
