Class One
Year Reception
One

CLL and English

Year One children will be completing work around the book *The Secret of Black Rock*.

It continues to discuss the environment and the life of fishermen.

We will work on researching facts, sea shanties, lyrics and debates.

Whilst continuing to develop our basic sentence work.

Alongside literacy we will work on the last part of phase 5 phonics.

Reception Children will look at the book *The blue Penguin and Puffin Peter*. We will develop captions, sentence writing, applying our phonics and link to PSHCE, freeze frame events, drama and discuss friendships and feeling. Will have now completed our phonics to phase 3 and are developing applying these in our reading and writing.

UW- Understanding the world)

Reception children will be exploring ice, our world, the environment and ,

Science -

In science we will be our bodies !

PSED- Safe relationships and the wider world.

This half terms topic is Blue Planet

Weekly routines

PE is every MONDAY.

Outdoor Learning is every TUESDAY.

URGENT!

We are also in need of boxes!

Any cardboard cereal, food boxes, shoe boxes, packaging, kitchen roll tubes, tops etc.

Thank you.

ICT-

Children will be learning about Internet safety. Play games to reinforce learning.

RE- we will be looking at features of a church.

Maths Year one-

Year One will working areas of shape space and measure.

We will use non standard measures, estimate and record results. Then move onto using and learning about measuring accurately with rulers and metre sticks. Over the weeks we will investigate weight and develop into comparing weights, using kilograms and also problem solving with number balancing. Finally looking at capacity.

Reception have now finished and completed consolidating numbers to 10. We have moved to also learning about shape, 2D and 3D. We have made comparison's and expanded our vocabulary to compare lengths and heights.

Art/DT- -

This half term Year One will learning about different artists. They will be linking it to Reception who will be looking at tone and pieces of sea art. And sculptures.

Geography -We are learning about where we live, the continents, the oceans and finding out about human and physical geography.

How can you help at home?

Please practise the tricky word sheet sent home.
