1. Last Meeting

SM, SLC, LLC were present at the last meeting in November which took place to discuss the Christmas fayre.

2. Christmas Fayre

LLC brought details of the expenditure and profit to the meeting. After all expenses the profit made was £997.54.

A discussion ensued as to what worked well and not so well at the Fayre as follows:

- It was suggested we make more of the grotto. Perhaps a chair in the room. It was decided the price would increase to £2 and we would look at the possibility of taking a photograph of the children seeing Santa which could be bought at £1.50/£2 each which would be available in a mount.
- Hamper as a raffle prize went down well. The food hamper did not get claimed, anything with a short shelf life went to the Salvation Army, others items have gone back into the store room for future events.
- Discussed how we could get more gifts for the tombola – agreed upon having a dress down day for ‘unwanted gifts’. This will be held on the last day before term in February but in future will be the first day back after Christmas.
- It was suggested we have more hotdogs available at future events.

No date has been set for next year – this will be sorted next school year.

3. Mother’s and Father’s Days

- Mother’s day is on the 26 March 2017. SLC advised she has been in contact with Mandy who has gifts available – LW suggested that more substantial gifts are better i.e. hearts – SLC to speak to Mandy. Gifts are to go on sale at break time week commencing 20 March 2017.
- Father’s day is on the 18 June 2017. SLC to speak to Mandy again re this and gifts are to go on sale at break week commencing 12 June 2017.

4. Future Events

Coffee Afternoon 31 March 2017

- Fairtrade stall

- Befrienders Game
- SM to look into Easter gifts through Baker Ross.
- Parents are asked to donate buns.

Summer Fayre 24 June 2017

- SM to think of a theme.
- LCC has contacted Panache gymnastics who are interested in bringing their blow up stage. LCC to check where it would be located. This is covered by their own PII and they will run it so we don't need to do anything.
- Strive are to be asked to attend and do a show – LCC has agreed to ask Lauren and see if it will be inside or outside.
- LW to speak to Rokt to see if they will bring their climbing frame.

Additional Event

- A further event was discussed as we have not organised a beetle drive. SS suggested a magician – SLC to contact Mandy for contact details. It is suggested this event will take place in May.

5. Date of Next Meeting agreed as 10 May 2017 at The Star at 7pm
