

# Welcome to Roberttown School 2024!

Please share this book with your child and talk about all the exciting things they will be doing in their new school.

Thank you,

The Early Years Team.

# A book about your new school!

Here are our Reception Classrooms

Mrs Clayton and Mrs McCann's Classroom

Mrs Burgin's Classroom

Mrs Clayton

Mrs McCann

Mrs Burgin

Mrs Wadsworth

Mrs Schofield

Mrs Clayton, Mrs McCann, Mrs Burgin, Mrs Wadsworth and Mrs Schofield will look after you at school each day. We make learning fun and exciting and can't wait to meet you and start our learning journey together.

Every morning when we come into school, we hang our coats on our own pegs and we put our book bags in our drawers.

We love learning and playing both inside...  
and outside too!

There are lots of different areas where you can play and use your imagination!

We sit smartly on the carpet when we are looking at the smartboard. We do good looking, good listening and sit with our legs crossed and our hands on our knees.

We love sitting and chatting with our friends at milk and snack time.

Each morning, you will choose what you want to eat for lunch. At lunchtime, the dinner ladies serve the delicious food that they have made for us. We can sit together to eat our food and there is always someone to help you if you need it.

At the end of the day we sit in a circle for Candle Time.

After story time we get ready to go home. We stay with the teacher until we are collected by our grown-up who will be waiting to take us home.

We are looking forward to meeting you all at your school induction visit and are excited for you to join us in September here at Roberttown.
