

Roberttown C.E. (C) J & I School Year 3 Summer 1 2018

Project : All creatures great and small

Things to Remember

Homework on Monday for Monday Library Book on Friday ERIC book everyday
PE Kit on Tuesday, Wednesday and Thursday Spellings given every Friday, tested the following Friday

Language & Literacy: This half term we will be looking at writing stories of adventure and mystery. We shall learn how to link different events within a story and use language to create suspense or tension. We will also be looking at how to edit and improve our work to create a final draft.	Numeracy: This half term we will be investigating: <ul style="list-style-type: none">Measures (length, mass and capacity)Adding and subtracting moneyFractionsSolving word problems	Science: This half term we will be investigating: <ul style="list-style-type: none">Animals and their Habitats. We will be finding out about how animals adapt to their habitats and learning how to create and use classifications and keys.
ICT: This half term we will be investigating: <ul style="list-style-type: none">Control and Monitoring Models We will be using scratch to help draw shapes and objects by controlling the sprite and learning how to use the ‘pen up’ and ‘pen down’ functions.	Foundation Subjects History- Shang Dynasty Art– Collage PE –Athletics (working toward Athletics badges) RE – Understanding Christianity - Incarnation S.A.M – Good to be me Music – Painting with sound- moods and feelings French – Reading and understanding key words from French stories	
How can I help? Help me to remember my reading books and listen to me read regularly, filling in my reading record. Help me learn my spellings and multiplication tables. Play games with me, which involve discussion, interaction and taking turns. Expect me to remember my homework every Monday and help me to do the task set and encourage me to be independent.		
My personal target is: My Maths target is: To become more confident at solving real life word problems.
