

English

Class Book: My family and other animals - Gerald Durrell

This half term the children will be studying:

We will be using the stimulus 'My Family and Other Animals' by Gerald Durrell and using this to write our own additional narrative scene in keeping with the style of the novel.

Following on from this the children will be look at playscripts and recapping their features and then turn the story into a playscript.

Maths

This half term the children will be studying:

- Numbers up to ten million
- Rounding
- Negative numbers
- Formal written methods for the four operations
- Factors and multiples
- Squared and cubed numbers

How can I help?

- Ensure I am fluent at recalling all my tables up to 12x12. I also need to recognise my division table. Remind me I can use TT Rockstars at home.
- Listen to me read every day. Ask me questions about what I have read and talk to me about words I am unsure of. Please sign my Reading Record Book every night when we have read.

Further Information

The next project studied will be: Cyclops and Centaurs – looking at the Ancient Greek Civilisation.
