Dear Tom, Emily and Holly

I thought I would write to you on behalf of the members of the Standards and Effectiveness Committee, to thank you for your presentation to our meeting on the 11th June.

We were all really impressed with the quality of your Health Report, the confident and composed way in which you presented it, and the clear and helpful responses you gave to our questions. You did yourselves proud!

Now that you have set the bar high, we look forward to receiving other presentations from pupils of an equal standard!

Once again congratulations on the effort you put in and thank you for your time in speaking to the Committee.

Yours sincerely

Daniel Kirby
