Dear Pupils of Roberttown CE (VC) J&I School,

Thank you for making me so welcome when I visited your school to reassess 'Investors in Pupils'. You were all extremely polite, friendly and well behaved. You are obviously proud of your school and the work that you are doing to ensure that it becomes an even better place for everyone at Roberttown. Thank you for helping to make the reassessment day go so smoothly. You obviously enjoy being at Roberttown and I can fully understand why.

I was very pleased to find out about the many things that the staff do to help you. They work hard to make the school such a good place to be so that everyone enjoys their learning. There were so many examples of the excellent work that has been completed by pupils across the school.

I found out that:

- You enjoy coming to school because of the many enjoyable experiences Roberttown provides for you.
- You appreciate the way that all the staff help you to learn. They make lessons interesting and fun.
- You try to support each other whenever you can.
- You like the staff and they like you.
- You are certain that new pupils settle in very quickly because you welcome them.
- You feel very safe in school.
- You know your targets and try hard to achieve them.
- Your behaviour is very good and there are hardly any instances of bullying.
- You like the many rewards you receive.
- Your ideas are listened to and the School Council is very important in school.
- You enjoy having different roles and responsibilities, such as Eco Councillors and Befrienders.
- You have some excellent ideas to improve the school such as the new playground developments.

Well done to all of you! I hope that you are going to have a big celebration now that you have achieved the 'Investors in Pupils' award.

I really enjoyed my visit to your school - keep up the good work and enjoy your summer holiday.
