Dear Parent,

SPECIAL DIETS, FOOD ALLERGIES, ALLERGIES (Revised May '10)

To ensure school information is up to date, could you please provide details of any special/modified diets or allergies relating to your child. This is particularly important if they have school meals or may take them in the future, but is also important during some lessons e.g. Science and Food Technology and educational visits. On educational visits there may be occasions when the children could come into contact with animals and may take part in food preparation. We try to put details of cooking/science activities in the weekly Newsletter but it is important that we also have up to date information on file.

It should be noted that the Catering Service displays the following information in the dining facilities:

Due to production methods employed by the School Meals Service there is a possibility that nut traces may be found in any menu item.

Please complete the form on the reverse of this letter and return it to school. **If your child has no allergies/special diets requirements please write 'none' on the form. The form will be returned to you if that section is not completed.**

If your child does require a special diet or suffer from allergies we may need to contact you for additional details so that we can put in place appropriate arrangements for your child.

Please do not hesitate to contact me if you have any concerns.

Thank you for your co-operation in this matter.

Yours sincerely

Mrs J S Laycock-Smith
Head Teacher

Details of Special Diets and Allergies (Revised May '10)

Please complete the form below and return it to school as soon as possible. If your child **does not** require a special/modified diet or **does not** suffer from allergies please write 'none' in each section. **If this section is not fully completed the form will be returned to you.**

Name of child: Class:

My child requires a special/modified diet: Yes/No

If yes, please give details / If no please write 'none'

.....
.....
.....

My child suffers from allergies: Yes/No

If yes, please give details / If no please write 'none'

.....
.....
.....

Children also may handle and taste food as part of Science, Food Technology and other work. If there are any foods that your child **may not taste or handle for any reason** please give details below. If your child is allergic to any animals and is not able to have close contact with them please state below.

If yes, please give details / If no please write 'none'

.....
.....
.....

Thank you for your help in this matter.

Signed.....Parent/ Carer
