<p>Language & Literacy:</p> <p>Class Novel: Evie’s War by Holly Webb</p> <p>This half term our literacy will link closely to our Carry My Story project. We will be creating identity collages and writing about ourselves to share with our partner school. We will also be looking at the book Sea Prayer by Khalid Hosseini and using this for the basis of our writing - poetry, discussion, empathy, description. We will be writing and performing our own poem based on Benjamin Zephaniah’s We refugees. We will share this with our link school. We will focus on effective editing of our own work, Handwriting, punctuation and contractions will also be a focus</p>	<p>Numeracy:</p> <p>We will be looking at the following areas of Mathematics:</p> <ul style="list-style-type: none"> • Roman Numerals – their meaning and calculating • Negative numbers • Consolidating addition and subtraction and solving problems with these operations • Multiplication and division: using a formal method and reasoning • Decimal place value 	<p>Science:</p> <p>In Science we will be looking at sound and vibrations. This will focus on how sounds are created and what will effect changes to pitch and volume. The children will use elements of their Science work in their Maths work.</p>
<p>Computing:</p> <p>We will be continuing our work on coding. We will be looking at coding in a real-life context. The children will also apply their computer knowledge to present information on a given subject.</p>	<p>Foundation Subjects</p> <p>History – Romans and their legacy Art – Clay – related to the Romans and Roman pottery.
