

5th October 2018

Dear Parent/Carer

This year we are holding a Harvest Festival at Southgate during our regular pupil Celebration Assembly on Friday 12th October.

Members of the school council will donate non-perishable food to a local foodbank the following week. Last year, pupils from the school council took all of the donations to The Welcome Centre in Huddersfield. As part of our message that everyone can give back to society, we like to encourage our young people to take part in charitable giving like this.

Could we ask you to look out any dried food like pasta or rice and any tinned food that you can spare – and start sending it in **from Monday 8th October?**

Yours sincerely

Mr Paul Evans
Headteacher
