Sports Premium 2018/19

Sports Premium is allocated to schools based on the number of pupils on roll in years 1 to 6 recorded in the January Census. Schools with 17 or more pupils receive £16,000 plus £10 per pupil. Southgate School had 27 on roll at the time of the census attracting a total of £16,270 of Sports Premium.

Southgate School received two instalments: £9,490.83 30 October 2018 and £6,779.17 30th April 2019, to use across the academic year to make additional and sustained improvements to the quality of PE and sport on offer and to facilitate pupils being active during break times.

An outline of our sports premium spending is in the table below (a full breakdown is available on an Excel Spreadsheet):

Plans for Sports Premium Spending 2019/20:

We are investing the time of a specialist PE teacher for 1 day per week to train class teachers to deliver quality PE that meets the needs of all pupils.

We will continue to invest in resources that will support active play at break times to enable us to meet the government's criteria of every pupil being active for at least 30 minutes every day.

We will invest the time of our qualified Forest School Leader to guide and support class teachers to use the Forest School area for active learning with their classes.

We are exploring the benefits of investing in Active Maths and Active English to enable core subjects to be delivered through physical activities.

We are running cycling sessions every Monday to support all our pupils to learn to ride a bike, (half-day).

We will expand on our enrichment offer and add a football club that will run on a Tuesday afternoon alongside the Dance Club.
