

Come and join us during Comic Art Week at Southgate School

On Thursday 18 October between 2 and 4 pm, Islam illustrator, Razwan, will be running a workshop for parents/carers and pupils.

Do come along for a 'hands on' experience of producing a piece of art with the children.

On Friday 19 October at 2.30, at our assembly, we will be displaying the art which everyone has created, including work from our Shine Hub Partnership Schools

We do hope that you will be able to come to either or both of the events and look forward to seeing you there
